### Rules

1. If any member or their guest are found shooting the metal targets on the cowboy pistol range with any ammo other than lead bullets they will be asked to leave the range and heir membership for the year will be forfeit! If the return to the range trespassing charges will be filed.
2. No steel core/jacketed bullets are allowed on the range. They can cause fires.
3. The range is a cold range. All weapons will be unloaded unless on the firing line and actively shooting. NO EXCEPTIONS!
4. All NRA range rules apply.
5. Signing member is responsible for any family member or guest that they bring to the range.
